

How to Create a YouTube Playlist

By Student: Ayonnah Tinsley

My YouTube Home Page

First step! Go to YouTube.com

Let's say I want to create a new playlist called "Food Videos" and the circled video is the first thing I want to add to my playlist.

*****Disclaimer: You cannot make a playlist without adding a video first*****

Save to playlist

**Now you will click
"Create New Playlist", or
if your playlist is already
made, then just select
under "Save to"**

**Last thing when you
create a playlist, you
name it, then choose
your privacy settings
and you're done!**
